

Did you know that:

- ★ Due to the senior age of our World War II Veterans, America is losing over 800 heroes per day.
- ★ The average life expectancy for an American male is 74.4 years, while the youngest World War II Veteran is over 89 years old.
- ★ Sky-rocketing healthcare costs have drained the life savings of most World War II Veterans and their families, making it financially impossible to go to Washington to see their Memorial.
- ★ World War II Veterans have waited over 68 years for their memorial. Most of them have been unable to visit,..... UNTIL NOW!

Honor Flight South Florida Inc. operates exclusively on the generous support and contributions from local corporate organizations and individual donations. Every dime donated goes toward flying a well deserving Veteran to Washington D.C. to see the Memorials built in their honor. With your generous donation, we can turn a World War II Veteran's dream come true to visit the Memorial into a reality.

Thank you in advance for your support.

Honoring Our American Veterans
from Fort Lauderdale to Key West

We Shall Never Forget!

Honoring our American Veterans
We Shall Never Forget

Corporate Sponsorship Prospectus

Be a part of something really special.

It will touch your heart and soul.

Your Support Keeps These Trips Completely Free For the Veterans

Honor Flight South Florida Incorporated is a non-profit organization that operates under the IRS 501(c)(3) rules for non-profit organizations, and was created solely to honor South Florida's Veterans for all their sacrifices. We transport true American Heroes, our Veterans, to Washington, D.C. to visit and reflect at their memorials.

Time is of the essence. Time to express our thanks to these brave men and women is running out and we need your help.

The cost to conduct an average Honor Flight South Florida trip out of Fort Lauderdale is approximately \$100,000. This is the approximate cost associated with transporting veterans to Washington D.C., including round trip airfare, rental of deluxe motor coaches, police escort throughout the day in D.C., meals including breakfast, lunch and dinner, tee-shirts, hats and "goodie" bags for the Veterans and Guardians. The guardians pay their own way. All corporate and private donations cover these associated costs. Honor Flight South Florida is proud to say we are 100% All-Volunteer. Every dime we collect goes to flying a Veteran to see the Memorials built in their honor, and the trip is completely free to the Veteran.

Our top priorities are World War II Veterans and Veterans with a terminal illnesses. Most of these remaining senior Veterans will never see the WWII Memorial without the help of compassionate people like yourself and your company. Many of our WWII Veterans had previously given up all hope of ever seeing the memorial built in their honor and to honor the ultimate sacrifice of their comrades, who never came back home.

The time to act is now. Unfortunately, approximately 800 World War II Veterans pass away each day. Sadly, in a few years almost all of our WWII Veterans will be gone. This trip will probably be their "last hurrah," the last time they will be recognized as heroes and conquering victors that collectively and literally saved the world.
