

WE NEED YOUR HELP

Did you know that:

Due to senior age of our WWII, Korean & Vietnam Veterans, America is losing over 1000 heroes per day.

The average life expectancy for an American male is 74.4 years while the youngest WWII Veteran is over 99 years old, with Korean War Veterans over 91 years old and Vietnam Veterans over 77 years old.

Sky-rocketing healthcare costs have drained the life savings of most Veterans and their families, so making a trip to Washington, D.C. on their own is unlikely.

Our most senior Veterans have been unable to visit the memorials built in their honor.

UNTIL NOW!

Honor Flight South Florida Inc. operates exclusively on the generous support and contributions from local organizations and individuals. With your help, we can turn a Veteran's dream of visiting their memorial into reality.

Please notify family and friends. We are seeking WWII, Korean, and Vietnam War Veterans for their mission of "Thanks".

*Thank you for
your support!*

**HONORING OUR
AMERICAN VETERANS**

We Shall Never Forget!

Honor Flight South Florida, Inc.
is a Federal Nonprofit 501(c)(3) Organization

Our veterans have honored
our country with their
service and sacrifice.

**Now it's our turn
to honor them.**

WHAT IS HONOR FLIGHT?

Veterans, think back to that day when you raised your hand and pledged to defend our Constitution... giving our country a blank check up to the price of your life to a cause greater than yourself. At that moment, no one knew what would be asked of them. Yet, you committed!

Since 2005, Honor Flight has flown approximately 300,000 Veterans, free of charge, to Washington D.C. for the day to allow them to visit the memorials built in their honor! Honor Flight is a national network of over 125 hubs and HonorFlightSouthFlorida.org sponsors the flights from Ft. Lauderdale - Hollywood International Airport.

A U.S. Military Veteran who served between 1941 and May 7, 1975.. ANYWHERE, performing any duties in wartime or peacetime, is a candidate (we all pulled the same rope!). If you served active duty as reflected on your DD-214 and received an Honorable Discharge, you could be on one of our four flights (two in the Spring and two in the Fall when the weather is best).

Honor Flight South Florida is a 100% all-volunteer organization working from 100% donated funds, dedicated to honoring this group of Veterans in Broward, Dade, Monroe counties, and the city of Boca Raton. Throughout the day of the trip, the Veterans are thanked, recognized and admired for their service to America. They come home knowing how much their country loves and respects them. Family and friends will be able to follow along via social media.

It's a race against time to fly Veterans to Washington, D.C. to visit, reflect and be honored. Top priority is given to our most senior defenders of freedom and Veterans who are terminally ill from any service period. Every one of these Veterans flies completely free.

The trip to Washington, D.C. includes round-trip airfare, deluxe bus transportation, meals, commemorative shirts, caps, and other amenities needed to travel comfortably. Qualified disabled Veterans with advance arrangements, are also welcome to travel.

Please help us. With your support, we can turn the dream of visiting their memorials into a reality for these true American Heroes
